

NUNAVUT PLANNING COMMISSION NOTICE OF ADDITIONAL COMMENTS RECEIVED AND NEXT STEPS FOR THE REGIONAL PUBLIC HEARINGS ON THE 2021 DRAFT NUNAVUT LAND USE PLAN

Date: May 4, 2022

The Nunavut Planning Commission (NPC or Commission) previously requested that participants provide additional and/or supplementary written submissions on the 2021 Draft Nunavut Land Use Plan (DNLUP) by April 15, 2022. On or before April 20, 2022 the NPC received additional submissions from the following participants as posted on the Public Registry:

- Agnico Eagle
- Beverely and Qamanirjuaq Caribou Management Board
- Blue Star Gold
- Forum Energy Metals Corp.
- Ghotelnene K'Odtineh Dene
- Glencore Canada Corporation
- Government of Canada
- Government of the Northwest Territories
- Kivalliq Inuit Association
- Kivalliq Wildlife Board
- Mittimatalik Hunters and Trappers Organization
- Mosbacher Operating Limited
- North Arrow Minerals
- Nunavut Tunngavik Incorporated and Regional Inuit Associations
- Nunavut Water Board
- Western Atlas Resources

The Commission thanks participants who were able to provide additional and/or supplementary written submissions and notes that a number of participants have requested additional time to prepare their submissions. The Commission now encourages participants to provide any further written comments on the 2021 DNLUP by **June 24, 2022** to ensure all participants have adequate time to review them in advance of the regional public hearings taking place in September through November 2022.

In addition, the Commission previously indicated that the consultation record for the 2021 DNLUP would close 40 days after the conclusion of the final regional hearing. However, the Commission is now

extending this timeline to **January 10, 2023** recognizing the holiday period’s impact on schedules and notes that **no further extension will be granted beyond this deadline.**

Please note that all written submissions received in respect of the 2021 DNLUP are available on the NPC public registry online at: <http://lupit.nunavut.ca/portal/registry.php>. The interactive maps and GIS files of the maps are available on the NPC’s website at www.nunavut.ca.

1. OPPORTUNITY TO REVIEW PARTIES WRITTEN COMMENTS AND SUBMIT PRE-HEARING WRITTEN QUESTIONS IN ADVANCE OF THE PUBLIC HEARINGS

The NPC would like to offer all participants the opportunity to review the written submissions and provide responses or ask specific questions regarding the content of the written submissions or 2021 DNLUP of any party.

The NPC requests that participants submit a list of the questions they would like to ask on or before **June 30, 2022** which will be followed by an opportunity to address comments (timeline to be determined) and may include subsequent rounds of questions and answers until **August 31, 2022**. The NPC acknowledges that some parties have already submitted a list of questions as part of their additional submissions and the Commission will endeavor to respond to those as soon as practicable.

The NPC requests that all participants asking questions identify the participants to which their questions are directed and are encouraged to review **Appendix A** which provides a suggested template for the submission of Pre-Hearing written questions. The NPC is of the opinion that allowing participants to formally ask written questions at this stage of the process will allow participants work together in a constructive manner to address any outstanding technical issues on the 2021 DNLUP and limit the number of outstanding technical issues brought forward to the public hearings.

In addition, Commission staff continue to discuss the 2021 DNLUP with community representatives to assist them in the preparation of written submissions and to prepare them for the public hearings. The Commission encourages participants to contact staff if they would prefer to have oral discussions to clarify any aspects of the draft plan in advance of the hearings.

2. CONFIRMATION OF ATTENDANCE IN REGIONAL PUBLIC HEARINGS

In order to allow the NPC to issue draft agendas for the regional public hearings by May 27, 2022, the NPC is **requesting that all registered participants confirm which of the five (5) public hearings they plan to attend and present at on or before May 20, 2022**. Parties not yet registered as participants are able to do so by completing the registration form in Appendix B as soon as possible.
